Securely Mounted Digital TV

Diversimount™ TV is a stationary, over-chalk-board mount supporting any LED or LCD large format display, up to 250 lbs., in front of your existing chalk or dry erase board! **Diversimount™** TV features a VESA compliant mount surface for any consumer or professional video display. Mounting upright clearance affords the ability to attach above and below your existing board safely. Perfect for new or existing construction and simple to assemble and install.

- ⊕ *Mount ANY LED or LCD screen in front of your existing chalk or dry erase board!*
- ⊕ *Fully VESA Compliant with a support capacity of 250 lbs.*
- ⊕ *No more drilling into and ruining your dry erase board.*
- ⊕ *Height adjustable up to 10 inches after installation*
- ⊕ *Professionally manufactured in the USA*
